OUR SERVICES

In addition to traditional trade show exhibitions, the significance of showcasing products online has grown exponentially. Our dedicated team of specialists is adept at assisting companies in navigating this digital landscape. Our comprehensive services span from capturing captivating booth photography for a single day to delivering a continuous stream of high-quality photo and video content, along with facilitating live-streamed presentations.

While our headquarters are in the Netherlands, our reach extends beyond Europe, encompassing global markets. Our clientele hails from diverse corners of the world, and in the past year, we have collaborated with a spectrum of organizations, ranging from solar power giants like Solis and TW to Saudi Arabia's largest petrochemical company, Tasnee, and humanitarian NGOs such as the Dutch Red Cross.

PHOTO- AND VIDEO REPORTAGE EU 4 DAYS

Immerse yourself in an extraordinary blend of photography and videography through our Package 2, designed to elevate your event or special occasion to new heights. Our dedicated hybrid photo-/videographer, armed with a cutting-edge hybrid camera, skillfully captures the essence of each day, delivering a meticulously curated set of 30 to 40 high-quality images daily.

As the grand finale, anticipate a cinematic masterpiece on the last day – a captivating 30- to 90-second after-movie that artfully encapsulates the highlights of your entire event. Our hybrid shooter, equipped with a versatile hybrid camera capable

of both photography and video, ensures a seamless transition between these two art forms.

To enhance the narrative further, our expert will wield a flash light for dynamic lighting. Moreover, upon request, we can augment your event documentation with a small audio kit, enabling the recording of interviews, reactions from visitors, or product introductions. Trust us to craft a visual and auditory tapestry that immortalizes the essence of your event in a truly unforgettable way.

MULTIPLE DAYS

For multi-day productions, a supplementary fee of €75 per person per day covers food expenses. Hotel costs, contingent on the project's location, will be calculated on a per-project basis. In instances where an earlier arrival is necessitated by travel requirements, an additional 50% of the daily rates will be incorporated into the total pricing.

TRAVEL COSTS

Travel expenses will be computed separately. As a standard practice, we opt for KLM (or its affiliated sky partners) in the economy flex class for air travel.
